Holy Patron Companion memorial with Sacred Heart and Blessed Mother emblems, Frieze border, 44″ x 14″

Holy Patron Memorials by Matthews...

Are the ultimate in memorial design. They express an eternal faith in a dignified and meaningful manner. Your preference in patron emblems may be selected so that each memorial carries a greater devotion. You may have a single emblem duplicated on each side of the memorial or any two of your choice. In this way your memorial is individually cast to your special wish.
